### TESTIMONIAL

I recently booked a corporate event with Board Game Championships and it was amazing from start to finish! The team was super helpful throughout the process with great communication and even took the time to add some extra touches including a welcome drink and fun prizes throughout the night. The MC was also hilarious and kept the energy up with lots of laughs. We all had an awesome time and I would definitely recommend the night for all ages.

5/5! Melissa Roberts, Educational World Travel, Jan 2021.
